- 2. We retain the right to charge you for any repairs as a result of any misuse of the equipment that occurs while our equipment is in your possession or use (if applicable).
- 3. The terms and conditions of this application shall, upon extension of credit by Casella, constitute an agreement of payment terms of sale. Should credit availability be granted by Casella, all credit shall be extended at the sole discretion of Casella. You understand that Casella may increase, decrease or terminate any credit avail ability at any time within its sole discretion.
- 4. You agree to provide Casella with an updated credit application and necessary financial information each year as a condition for the continued extension of credit.
- 5. You agree to make payment to Casella according to the payment terms that appear on each invoice and no verbal agreement can supersede these terms. The failure to pay each invoice on the net due date shall deem the debt to be delinquent.
- 6. You agree that in the event of insolvency, a substantial change in financial condition, reassignment of debt or should any portion of the account become delinquent, any and all invoices on the account, including future dated invoices, shall become due and payable immediately.
- 7. You understand that interest accrues against your past due account at a rate of 1.0% per month (12% per annum) or the highest legal rate permitted by state law.
- 8. You agree to notify Casella in writing within ten days of any change in ownership and corporate or legal status of applicant's business and further agree that applicant will continue to remain liable to Casella for any unpaid balance.
- 9. In the event that your account is turned over to an attorney or other agency for collection or suit is brought against you, you agree to pay all collection costs including reasonable attorney fees and court costs incurred by Casella. The parties knowingly and intentionally waive the right to a jury trial on any issue or dispute that may arise between applicant and Casella.
