(1) This table is subject to change according to economic conditions relating to energy usage for services provided. This table does not include the Environmental component of the Resource Solutions Energy & Environmental Fee ("RSEE") which may vary by market and is subject to change based on environmental and regulatory compliance related costs.. The description of the invoiced fee may vary based on customer. The invoiced fee may appear as the Resource Solutions Energy & Environmental Fee, but not yet include the Environmental component of the RSEE. We reserve the right to add this component of the RSEE at a later time.
