CURBSIDE CONTAINER PLACEMENT GUIDE

Place container at the curb by 7:00 AM on your pickup day.

PROPER CONTAINER PLACEMENT

Put container on a hard, level surface clear of obstructions such as snow, landscaping, mailboxes, and utility poles. Do not block the sidewalk.

CONTAINER DON'TS

Container must remain upright and forward facing for pickup

Keep all materials inside the container with the lid closed

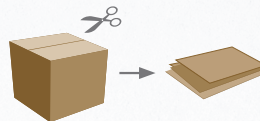

Keep container clear of all obstructions

BAG ALL TRASH

Unbagged trash can easily become litter during collection—especially on windy days. To keep our streets and environment clean, **please ensure all trash is securely bagged before placing it in the container.**

CARDBOARD HANDLING

Breakdown cardboard so it fits into the cart with the lid closed. Cut oversized material into 2' x 2' squares.

Town of Holden, ME

A Guide to Your Curbside Collection Service

YOUR COLLECTION DAY MAY CHANGE

(see street list on other side)

- **Beginning July 3, 2025** your residential curbside material will be picked up by an automated side-load truck.
- Residents will no longer have to provide their own containers. All material must be inside of the container with the lid closed.
- We will no longer collect material left outside of the containers.
