**YOUR NEW  
TRASH &  
RECYCLING  
CARTS ARRIVE  
IN JULY!**

Flip over for more details.

# Your Curbside Collection Just Got Easier

ESTABLISHED 1975

87 Pleasant Hill Road  
Scarborough, ME 04074

**Beginning in August**, your residential curbside trash and recycling will be picked up by an automated side-load truck.

**In an effort to improve efficiency to collection routes, your collection day may be changing. Please visit the website below to find your collection day.**

Residents will no longer have to provide their own bins. All trash must be inside of the cart with the lid closed.

**We will no longer collect any material left outside of the cart.**

Prior to your start date, you will receive two new 64-gallon wheeled carts, one for trash and one for recycling included with your service. Colored lids help to keep items clean and dry and distinguish trash from recycling. There is no need to be home to receive your carts. Carts will include additional instructions for placement as well as a calendar and frequently asked questions.
